

Overview

Crossroads Church is a 35 year old evangelical non-denominational congregation of about 75 members in Spanaway, which is a “blue collar” suburb of Tacoma in Pierce County WA. We are looking to hire a lead full time Pastor who could begin serving anytime between March 1st and June 1st of 2026. Our current Pastor who planted the church is retiring. We sense this is a new season for our church and we are believing God to bring a lead pastor with fresh vision and strong leadership to discover with us what’s next!

We have an active teen ministry in partnership with a neighboring congregation and a small Sunday School, along with three or four bible study/care groups, and a strong commitment to overseas missions.

We currently have a part time paid music person who leads in contemporary worship and a part time bookkeeper.

We have a very good building with a newly remodeled lower level space with classrooms, nursery, kitchen and fellowship hall.

Crossroads is active in serving our local public schools and caring for the “least of these” among us in Spanaway. Growing our ministry with young families is a current priority.
